## International Conference PMinter

18<sup>th</sup> – 19<sup>th</sup> of September 2013

Hotel City Maribor

We would like to invite you to the International Final Conference of the project PMinter, which will be held between September 18 and 19, 2013 at Hotel City Maribor. The conference is organized in the framework of the international project PMinter and is carried out by the Municipality of Maribor in cooperation with project partners. The project is co-financed by the European Regional Development Fund in the frame of the Operational Programme Slovenia – Austria 2007 – 2013. For more information about the project visit: [pminter.eu](http://pminter.eu).

During the conference the participating partners from Slovenia and Austria will present their results. Furthermore, speakers, who are also invited as experts from other European countries, are specialized in the field of air quality. The conference addresses:

- air quality measurements,
- modelling,
- air quality impact on health,
- measures for air quality improvement,
- good practices – air protection and sustainable mobility measures.

The conference is aimed at experts in the above mentioned fields as well as representatives of local public authorities and national institutions.

Participation at the conference is **free of charge**. Simultaneous translation will be provided in Slovenian, German and English language. For further information about the conference please visit the web page [here](http://pminter.eu). For further information and registration please fill out the attached registration form and send it to: [pminter@maribor.si](mailto:pminter@maribor.si) till **Friday, 30<sup>th</sup> of August 2013**.

We look forward to meet you at the conference!
